Dr. Willett provided me with a name of a former student and [REDACTED] at THS. Dr. Willett had belief that this former student may be the anonymous caller.

6) That on 02/26/2023 at approximately 1245 hours, Witness #1, a 23 year old male, arrived at the Tolland Resident State Trooper's Office. Witness #1 stated that did not have direct knowledge of the alleged inappropriate conduct by the Accused, however he stated that [REDACTED] did. Witness #1 stated that [REDACTED] currently resided out of state and provided the Affiant with her contact information.

7) That on 02/26/2023 at approximately 1323 hours, the Affiant spoke with Witness #2, a 25 year old female. Witness #2 stated over the phone that she and another female were the ones who made the anonymous call to DCF. Witness #2 then provided the name of Victim #1. Witness #2 also provided us with another person who might have knowledge of the allegations (Witness #3).

8) That on 02/26/2023 at approximately 1500 hours, the Affiant and TFC Kevin Hoyt #994 spoke with Witness #3. Witness #3 stated and later provided a sworn written statement as to the following:

My name is [Witness #3]. I was a student at Tolland High School from 2012-2015. I give this statement to the Affiant of my own free will.

During my junior and senior year at THS I was a student of Kris Coffey. I recall his classes to be relaxed and were more fun than the average classes. I felt you could be yourself in his class.

During my junior and senior year I became friendly with [Victim #1]. I recall she was on the [REDACTED] and Kris was [REDACTED]. We never really hung out together, but I would occasionally see her in Mr. Coffey's class during lunch and in between classes.

After graduating in 2015 I became more friendly with [Victim #1]. We got closer as 2016 approached. We were never in a dating relationship. Our friendship was mostly talking and getting together every so often. We would go on long car rides together every six months or so. At this time I had not heard any rumors or talk about Mr. Coffey acting inappropriately towards [Victim #1] or any other girls at the school.

Sometime between the years 2016-2018 [Victim #1] told me that she had an inappropriate relationship with Mr. Coffey. I am not sure where we were when [Victim #1] disclosed this information to me. If I were to guess it would have been most likely in a car. At this time [Victim #1] told me that [REDACTED] while inside his classroom. I am not sure if this occurred during or after school. She also told me that one time he had touched her butt while inside his classroom at the high school. I don't recall her telling me anything else regarding further inappropriate physical contact with Mr. Coffey.

Sometime between 2016-2018 I connected with Mr. Coffey at the [REDACTED]. I am not sure if I arranged this meeting or if Mr. Coffey did, I just recall we met to catch up on things. During this time Mr. Coffey and I talked about various things going on in our lives. In the back parking lot of [REDACTED] near

Mr Coffey's car I told him I knew what had happened to which Mr. Coffey gave me a head nod which appeared to me that he acknowledged the relationship he had with [Victim #1]. He then began to cry. I recall Mr. Coffey saying that he was sorry. I'm pretty sure we ended with a hug and then we both left.

Sometime later I recall that [Victim #1] had told me that she was still in contact with Mr. Coffey and that he was e mailing her and she was e mailing him back. I told her that she should stop contacting Mr. Coffey. I advised her that he should not be contacting her. During this time I detached myself from Mr. Coffey. Over the time after graduating from THS I would communicate with Mr. Coffey maybe once or twice a year over e-mail only. I felt that Mr. Coffey was not going to stop communicating with [Victim #1] so I ended all communications with him. I continued my friendship with [Victim #1].

I stayed connected with [Victim #1] over the years and she never told me about any further incidents with Mr. Coffey. She would at times tell me her feelings about him. She told me she was in love with him and was having a hard time moving forward with her romantic life.

9) That on 02/26/2023 at approximately 1651 hours, the Affiant and TFC Hoyt arrived at Victim #1's residence. At this time Victim #1 invited us into her home. Victim #1 then began to tell us that when she was a student at THS and she was involved in inappropriate relationship with the Accused. Victim #1 later agreed to come back to the Tolland Resident Trooper's Office and provide a sworn written statement.

10) That on 02/26/2023 at approximately 1848 hours, Victim #1 provided a sworn written statement as to the following:

My name is [Victim #1] and I am giving this statement voluntarily.

I attended Tolland High School between 2011 and 2015

I [redacted] all four years which I attended the school. The [redacted] was later February to early May. Kris Coffey was my [redacted] all four years. There were around twenty [redacted] on the [redacted] per year. My freshman year I was never left alone with Kris. I would describe my relationship with Kris pretty standard [redacted] my freshman and sophomore year. I never had Kris as a teacher while I attended Tolland High School.

My [redacted] year of high school, my relationship with Kris changed near the end of the school. The [redacted] was relatively normal. At some point throughout my [redacted] year, I would eat lunch in Kris's classroom with other students. I would say it was a daily occurrence that I would eat lunch in Kris's classroom. Kris would talk to us about things that were happening in the school and other random things. Kris did not get too involved in our personal lives.

One day near the end of the school year, I was in Kris's classroom with other students just hanging out and

chatting. Student's eventually began to leave the classroom but I stayed behind and continued to talk to Kris. While I was talking to Kris, Kris told me he had feelings for me. I immediately began to cry and felt nervous and anxious. I don't remember saying anything back to Kris. Kris continued to talk but I don't remember what he said. I eventually left Kris's classroom and went home.

A couple days later Kris emailed me from his personal e-mail account and said "thanks for letting me get that off my chest." I responded by saying ok but we just can't move on. I told Kris I wanted to talk to him more about it.

During the summer of my [redacted] year going into my [redacted] year, Kris and I agreed to meet at UConn on a weekly basis. We could have met multiple times during the weeks. I was sixteen, turning seventeen during this time period.

Our initial meeting was to discuss his feelings about me. Kris and I would walk on the sidewalk at UConn and just have normal conversations. Kris and I spent a hour or two together on the first meet.

As Kris and I continued to meet with one another at UConn, our relationship continued to escalate into a dating relationship. Our relationship escalated to hand holding and we were sharing more intimate emotions with one another. Kris would talk about his personal life a lot, such as his time in college. I expressed I had feelings for Kris as well. Kris would kiss my neck as we walked on the sidewalk. I can't remember if I kissed Kris. Kris was happy to hear I had feelings for him and this relationship continued throughout the summer.

I never talked my friends or family about the relationship I had with Kris. Kris told me not tell anyone about our relationship because it would ruin his life. Kris never threatened me or was physically assaultive towards me.

The relationship with Kris continued into my [redacted]. At this point I was seventeen years old. I still did not have any classes which Kris was my teacher. I would go to Kris's classroom in between blocks. There were always other students in the classroom so he never touched me. I would also continue to have lunch in Kris's classroom with other students. I never really stayed behind with Kris, I always left his room when the other students left.

There was one incident during lunch in which I was in the classroom with other students and Kris rubbed my butt with the palm of his hand. The other students did not see this.

I did spend time with Kris alone in his classroom. I think most of the times I spent alone with Kris were during periods he did not have a class. I would leave my class and sneak into his room. One day I was in Kris's room and he pulled his pants down and exposed his genitalia to me. [redacted]

[redacted] I don't remember how I reacted to it. I think Kris just stood there for a little while but nothing else happened.

There were other times I would leave my classes and go to his class when he was alone. I would go into his class and we would kiss on the lips. [REDACTED]

There was another incident, I cannot remember if it was before school or after school but [REDACTED] in his classroom. Kris stopped [REDACTED]. He told me it was wrong. Kris also [REDACTED] on one occasion.

There was another incident during the fall open-house at the Tolland High School during my [REDACTED] year. During the open-house, Kris was meeting with parents in his classroom and I was escorting parents to the teacher's classroom. After all the parents left the open-house, Kris told me to meet him at the tennis courts across the street from the Tolland Middle School. Kris and I went behind the tennis courts in the woods. Kris and I both had our pants off but I cannot remember what happened. I know we did not have sexual intercourse.

Kris never provided drugs or alcohol and I was never incapacitated with him.

After I graduated Tolland High School, I made an effort to stay in touch with Kris. Kris cast me aside and told me to move on. I had a really difficult time dealing with this because I could not talk to anyone about it.

Around four years after I graduated from Tolland High School, I confided in my friend, [Witness #3]. I told [Witness #3] pretty much everything Kris and I did together. I asked [Witness #3] not to tell anyone about our relationship and he said he wouldn't.

[REDACTED] Kris was still teaching at Tolland High School and we were cordial with one another. Our relationship was professional and there were no issues between the two of us. I [REDACTED] with Kris.

I am not aware of any other inappropriate relationships Kris had with other students or [REDACTED]

My name is Kris Coffey and I have been notified of my rights and understand my rights as they were read to me. I waive my rights voluntarily and have agreed to answer questions. I am also providing the statement voluntarily.

I have been employed with the Tolland High School for approximately 15 years. I teach junior and senior English at Tolland High School. I also [REDACTED] from 2009 to 2019.

[REDACTED] [Victim #1] was not a student in any of my English classes.

My relationship with [Victim #1] began with conversations through our personal e-mails during [Victim #1's] junior year. Our conversations were about life and our states of mind. Eventually over time our conversations turned sexual. [Victim #1] had told me through e-mail she wanted to have sex with me. I don't remember how I responded to that message. I deleted all our e-mails. [Victim #1] and I would fantasize about what we would do with each other sexually and detail our fantasies in our e-mails to one another. These e-mails were being exchanged during her [REDACTED] year. We did not exchange nude photographs with one another.

There was never any inappropriate behavior during [REDACTED]

During the summer between [Victim #1's] [REDACTED] year, we would meet at UConn and go for walks together. [Victim #1] and I would converse about life stuff. There was a lot going on with my mom and I talked to [Victim #1] a lot about that. [Victim #1] would talk to me about the same things. [Victim #1] had a pretty dysfunctional family life. [Victim #1] was not being abused but her parents just didn't really pay attention to her. I don't think we held hands and I don't think we kissed while we walked.

While at UConn, [Victim #1] and I would sit in her car and we would fondle each other over the clothing. I fondled [Victim #1's] [REDACTED]. I actually don't think [Victim #1] fondled me at all, I think it was just me. [Victim #1] never said no and never told me to stop.

When we returned to school for [Victim #1's] [REDACTED] year, our relationship began to intensify. I was part time at Tolland High School during [Victim #1's] [REDACTED] year and I had free blocks during the day. [Victim #1] would come to my room during lunch, I think, and we would be alone in my classroom. While alone in my class room, [Victim #1] [REDACTED] once for maybe ten seconds. I think I initiated [REDACTED] by telling [Victim #1] I wanted her to do it. When it started to happen I freaked out and told her to stop. I touched [Victim #1's] [REDACTED]. I never [REDACTED] [Victim #1]. I think there were eight or ten instances where I fondled [Victim #1's] [REDACTED]. There were probably three instances [Victim #1] [REDACTED].

In September of [Victim #1's] [REDACTED] year I attended an open house at the Tolland High School at around 8:00pm. [Victim #1] was at the open house. I saw [Victim #1] that night in the school and we arranged to meet at the tennis courts across from the middle school. [Victim #1] and I walked behind the tennis courts [REDACTED]. I don't think [Victim #1] touched me, I can't remember.

I ended the relationship in November of [Victim #1's] [REDACTED] year. I told [Victim #1] this had to stop and she seemed confused. [Victim #1] continued to try to reach out to me through e-mail. I responded to [Victim #1] because I was terrified she would tell someone about the relationship we had. After I ended the relationship there were no further sexual encounters. I did continue to message [Victim #1] but not in the same way he had been communicating.

After [Victim #1] graduated she continued to e-mail me. [Victim #1] was very angry about how confused she felt in regards to the relationship we had. I was trying to distance myself from [Victim #1].

[Victim #1] attended college after graduating high school, and I met up with her a couple times for coffee but there was never any sexual encounters. Around two years ago, [Victim #1] sent me [REDACTED].

Around a month ago, [Victim #1] e-mailed me she still had feelings for me. I told [Victim #1] I wish there was something I could do and I was sorry. I told [Victim #1] she could rest assure there is not a day that goes by I don't think about this.

Around three or four summers ago, I met with [Witness #3] at the [REDACTED]. I knew [Witness #3] because he was a student of mine. [Witness #3] was in [Victim #1's] grade. [Witness #3] and I were just catching up but as I was going to leave when [Witness #3] said, "I know." I know [Victim #1] had been talking to [Witness #3] so I knew [Witness #3] knew about the relationship [Victim #1] and I had. I told [Witness #3] it's been hell in some ways. While talking to [Witness #3], I knew we were talking about the relationship I had with [Victim #1].

I have never had any other inappropriate relationships with my students or [REDACTED]. I knew [Victim #1] was seventeen years old at the time of these events.
